

MODAL - CREATE

A hand-drawn sketch of a modal dialog titled "CREATE NEW INTERFACE". The dialog has a title bar with a close button (X) on the right. Inside, there are two input fields, each preceded by the label "LABEL". At the bottom right, there is a button labeled "CREATE". The entire dialog is enclosed in a rectangular frame with diagonal hatching on the background.

MODAL - PING

A hand-drawn sketch of a modal dialog titled "PING IP ADDRESS". The dialog has a title bar with a close button (X) on the right. Inside, there are two input fields: "FROM" with a dropdown menu showing "CLOUD-WEST" and a checkmark, and "TO" with the text "XXX...". Below these fields is a button labeled "PING". At the bottom, there is a dashed line followed by the word "RESULTS" surrounded by dots. The entire dialog is enclosed in a rectangular frame with diagonal hatching on the background.
